Update on the new Snack Shack

We've been raising money for a new snack shack at Camp Wyoba since 2015. You may wonder what has happened to that project and that money.

The Wyoba Board is developing a long term, strategic plan for the camp. We have professionals helping us as we want to work smart and make the most of your donations of money, time, talents, and prayers.

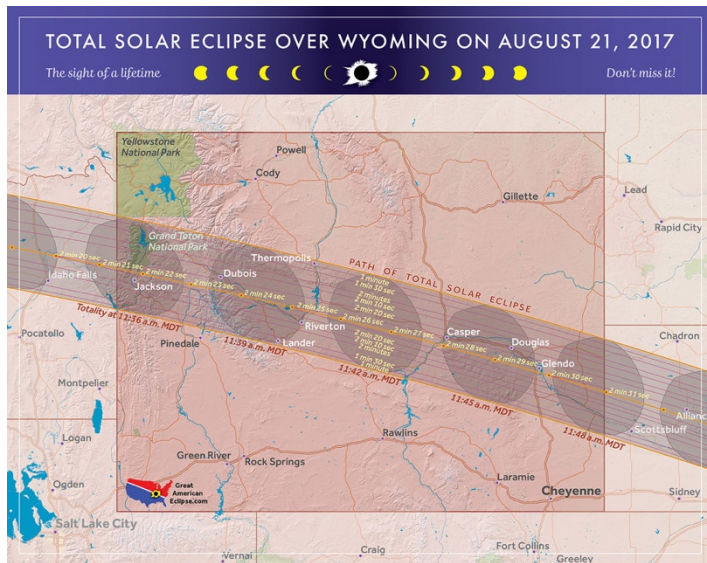

We have come to understand that the Memorial Hall has very precarious foundation pillars. Part of the long term strategic plan is to build a new Memorial Hall up at the athletic fields along with the new snack shack. This would make the athletic field the center of activities for our youth campers.

Be assured that the money you have given in the past for the new snack shack will be used for a new snack shack. It will not be slipped into funds for something else.

And, be assured that the new snack shack will be of a design that you can be proud of.

Total Solar Eclipse in Casper on August 21st

Camp Wyoba will 'open the gates' to our friends from American Baptist Churches that day at no cost. If you would like to join us, please visit wyoba.org for more information.

Thanks for supporting Camp Wyoba in one more way.

Please Pray for
Camp Wyoba

For the eyes of the Lord are on the righteous, and his ears are open to their prayer. But the face of the Lord is against those who do evil.”

1 Peter 3:12

- “Where your treasure is, there your heart will be also.” Matthew 6:20
- Protect our campers during their time on the mountain.
- Touch the hearts of our volunteers that they may be as impacted by camp as the kids are.
- Safe travel for everyone to WyobaFest and back home again. That WyobaFest glorifies God, and we enjoy good fellowship.
- Send summer staff who will reflect Jesus and work together in harmony. That this will be the best summer ever for them.
- For the campers who will come to Camp Wyoba this summer. Especially Junior High camp.
- For the further development of our camps so that God is glorified by all that happens on the mountain.

New Sign on Casper Mountain Road Contest

Believe it or not, some people don't even know Camp Wyoba is on Casper Mountain. We need a new sign on the road, and we would like some help designing that sign.

The sign will be about 6' wide and 4' tall. The letters need to be at least 6" tall. With modern sign printing technology, the sign can have some pretty nice graphics and detail.

The Wyoba Board may vote soon to revert back to the old logo of the cross and pine trees.

Entries need to be e-mailed to Jenita at mjmjpack@vcn.com by March 25th. They will be voted on at WyobaFest, with final choice made by the Board.

Winner will receive \$100 to apply to registration costs for any 2017 camp or retreat.

- For our new administrator. That Gary leads Wyoba in a godly manner.
- For our camp directors. That they encourage the kids to grow their relationship with Jesus as Lord.
- For wisdom as we make improvements to the facilities at camp. For the safety of all who carry out those improvements.
- For new camps and retreats so that the ministry of Camp Wyoba grows.
- For the Camp Wyoba board as they work hard to make Camp Wyoba an effective tool in the Kingdom.
- That people will be safe while at camp.
- That people will experience spiritual, emotional, and intellectual peace while at camp.
- For God's leading to be strong as Camp Wyoba moves forward.
- That all who watch the total solar eclipse at Wyoba will know how glorious our Lord is.
- That Wyoba will receive the support it needs from Wyoming churches. That God will open his storehouses through the churches, and they will have great joy in being used in this way.
- For the American Baptist Churches of the Rocky Mountains: churches, pastors, region staff.
- That people who don't know Christ as Savior will be impacted while at Camp and make this decision.
- That God is preparing the hearts of campers who will come this summer.
- That God will prepare the hearts of our camp pastors. They will have wisdom and discernment.
